

The Old Guard of Camp Glen Gray

Established 1918

501c(3) Organization

Website : www.GlenGray.org

The Old Guard of Camp Glen Gray was founded in 1918 by Frank Fellows Gray. "Uncle" Frank, founder of Boy Scouting in America and founder of our Camp in 1917, created the Old Guard to assist him in the functioning of Camp. In addition to helping younger Scouts, the Old Guard also helped preserve and promote the Camp.

Following this tradition, the modern Old Guard is comprised of men and women who continue to support Camp Glen Gray now part of the Bergen County Park system and managed by another volunteer organization, The Friends of Glen Gray.
